Splattershot Jr.

Weapon Stats:

Range	32
Damage	32
Fire Rate	75

Sub Weapon:
Splat Bomb

Special:
Bubbler

Description:

Everyone's got to start somewhere. Good rate of fire and efficient ink use to boot. Not the most accurate of weapons, but it sprays ink so wildly you're bound to hit something.

Notes:

The Splattershot Jr. excels at turf coverage, making it an apt choice for Turf War. Bubbler allows this loadout to be a good support option since you can share Bubbler with nearby teammates. Splat Bomb, on the other hand, can be used to set clever traps or keep enemies at a distance. Even though it's the starting weapon, few loadouts are as versatile as this one. This makes it a good choice when learning new stages and game modes.

Weapon Type: Rapid
Level Unlocked: 1

Cost: 0
Base Damage: 28

Custom Splattershot Jr.

Weapon Stats:

Range	32
Damage	32
Fire Rate	75

Sub Weapon:
Disruptor

Special:
Echolocator

Description:

A new build of the Splattershot Jr., built by Sheldon after being inspired by some odd fluid he found stuck to the blueprints. Throw Disruptors at your opponents to slow them down.

Notes:

The Custom Splattershot Jr. is an all-around team support weapon. Disruptor might give the weapon enough utility to lose Ninja Squid and replace it with Ink Saver Sub or Special Charge Up—but those abilities should only be considered for someone who's willing to sit back and accept a pure support role over a hybrid one.

Weapon Type: Rapid
Level Unlocked: 2
(Requires Octobomb Surfer Scroll)

Cost: 800
Base Damage: 28

Splattershot

Weapon Stats:

Range	50
Damage	45
Fire Rate	55

Sub Weapon:
Burst Bomb

Special:
Bomb Rush

Description:

Developed after the Great Turf War, this weapon is easy enough for anyone to use. A great all-rounder with few weak points. A trusty companion through thick and thin.

Notes:

This loadout is great for Turf War thanks to the coverage ability of the Burst Bomb and the Bomb Rush special. Ink Saver (Main) and Bomb Range Up are abilities you should consider for this weapon loadout. The weapon itself is the strength of this loadout, and Ink Saver (Main) allows you to fire more shots, making up for its coverage ability. Bomb Range Up helps you throw those Burst Bombs farther, thus covering more ground at a greater distance.

Weapon Type: Rapid
Level Unlocked: 2

Cost: 500
Base Damage: 35

Splat Roller

Weapon Stats:

Range	55
Ink Speed	50
Handling	40

Sub Weapon:
Suction Bomb

Special:
Killer Wail

Description:

A weapon adapted from an ordinary paint roller. Aside from inking the ground, it can also be swung to hurt globs of ink at your opponents.

Notes:

This basic roller has decent ink splatter range and roll speed. The Suction Bomb can be used to force opponents away from a specific spot which may put them in range of a melee strike—or you can simply roll over them as they attempt to escape the Suction Bomb's blast.

Weapon Type: Roller
Level Unlocked: 3

Cost: 1,000
Splash Damage: 25-125
Roll Damage: 140
